WHEN?

At HousingX on May 22, 2019.

WHERE?

HOW?

Submit your 20x20 proposal [here](#). The proposal will be reviewed by a HousingX panel to see if it is a good fit for HousingX.

WHY?

The format requires the presenter to pare down their idea to an essential element that can be communicated in six minutes -often in the form of a story. Attendees will hear 10 fresh ideas in this fast paced session. We hope this will give practitioners from around the state the opportunity to tell their own story of innovation and change
